**LETTER TO COURT FILED
PURSUANT TO ECF 1380**

Judge: Hon. Yvonne Gonzalez Rogers

Magistrate Judge: Hon. Peter H. Kang

Dear Judge Kang:

In response to the Court's November 26, 2024 Order, below is the text of the email that the Court ordered the undersigned to file on the docket. As an update, since the email below was sent on Friday, November 22, 2024, counsel for the S.C. Attorney General arranged a meet-and-confer call with counsel for Meta and counsel for Governor Henry McMaster and the Office of the Governor of South Carolina (collectively, "Governor McMaster") on November 27, 2024. During this discussion, counsel for Governor McMaster shared that Governor McMaster had authorized them to propose an approach, which would address concerns previously expressed and facilitate the parties' compliance with the Court's Orders. Governor McMaster will utilize, and has already begun utilizing, search terms provided and will produce any relevant and responsive records to the Attorney General, pursuant to a valid records request from the Attorney General, such that the Attorney General may produce such documents to Meta in accordance with the discovery schedule established by the Court. Counsel for the S.C. Attorney General and Meta reached an agreement that they will proceed as outlined above. Accordingly, there is no active dispute regarding the Governor's documents.

Pursuant to your 11/21/2024 court order, ECF 1370, please see the contact information below. The Office of the South Carolina Attorney General does not represent the South Carolina Governor in this matter. It is my understanding that Governor McMaster is the chief decision maker of the Governor's Office and is a licensed attorney. Governor McMaster's contact information is listed below.
